

CARE

Cloverdale Adds Resources for Education

Supporting Students of Cloverdale Unified School District

September 6, 2022

Dear Cloverdale Community,

The 2022-23 Cloverdale school year has begun with teachers getting an early start planning wonderful educational experiences for our students. It's a great sign that we are all finally able to create more opportunities for the kids without fearing the pandemic interruptions of the past two and half years. Please help us to help Cloverdale's kids, teachers and families by supporting Cloverdale schools through a donation today.

CARE is dedicated to enriching the educational experience of all students equitably in the Cloverdale Unified School District. Of the 1,400 students in the District, 52% are eligible for free meals, meaning a family of 4 earns less than \$33,000 per year. These young people will become our future business owners, community leaders, social influencers and educators; they are working hard and deserve our support.

The Cloverdale community is known for its generosity and that is what makes this town such a special place. We want to thank past donors. Past contributions have gone to a variety of educational programs that our students would not have otherwise experienced.

During the 2022-23 school year we have already provided advance commitments for the Ane Rovetta Art Program at Jefferson, garden support at all three schools, an Integrated Filmmaking Intensive program at Cloverdale High School and the two week summer Mariachi Camp. We remain committed to helping Cloverdale's educators be as effective as they can during the 2022-23 school year.

We would like to invite YOU to help us increase contributions to our schools and prepare Cloverdale's students for the future.

Please consider any sponsor level and mail your tax-deductible donation, to the CARE Foundation, or donate online via our website at www.cusdcare.org. If you would like to join our board or have any questions regarding donation possibilities, please contact us at cusdcare@gmail.com.

On behalf of Cloverdale's students, Thank You.

Sincerely,

CARE FOUNDATION BOARD
